

OPEN YOUR MIND

BE PART OF ALL

GOTCHA

Pictures are pictures are pictures!

Pictures are not only images. Pictures are experience, thoughts, vision, feelings, politics, culture, stories and more. Sometimes I see a picture suddenly emerging. Sometimes I have a vision and I have to wait for the image. And sometimes I see a picture that does not exist but is evoked by colour, form or emotion. And has to be developed and created afterwards. The photos following are expressions of these thoughts. Some formed within seconds and others needed a long time. 'Real' and 'unreal' can be indistinguishable.

But this is irrelevant.

Pictures are ...

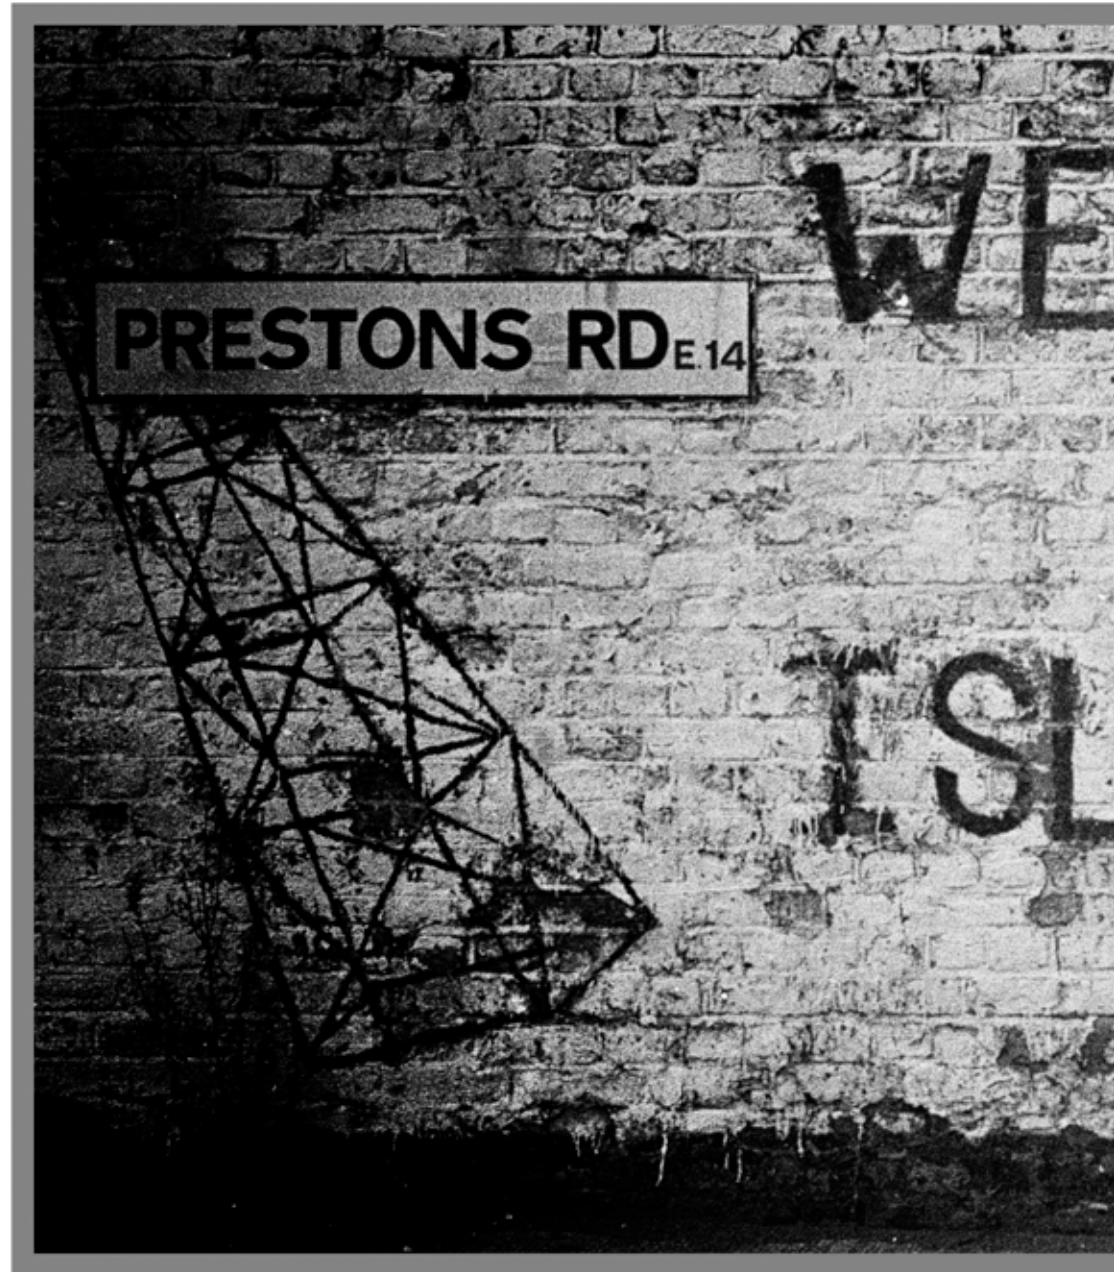

Bilder sind Bilder sind Bilder!

Nein, Bilder sind nicht nur Bilder. Bilder sind Erfahrung, Erleben, Gedanken, Sehen, Gefühle, Politik, Kultur, Geschichten und vieles mehr. Deshalb sieht man plötzlich ein Bild, manchmal weiß man, was man will und wartet auf das Bild und manchmal sieht man ein Bild, das es aber so gar nicht gibt. Man lässt sich von der Form, der Farbe oder von Gefühlen leiten, die dieses Bild in einem wachrufen. Dann muss man es später entwickeln und kreieren. Die folgenden Bilder zeigen solche Gedanken. Fotos, die in Sekunden entstanden sind und solche, die sehr lange gebraucht haben. Manchmal kann man gar nicht mehr unterscheiden, welches ein „reales“ Bild ist und welches nicht. Aber das spielt keine Rolle.
